Being from Kerry...

Being from Kerry, in my opinion, is the greatest gift that God can bestow on any man.

When you belong to Kerry you know you have a head start on the other fellow. You don't boast about it and you never crow about it, you just know. Because of the geographical place of your birth, you know you are it; you are the bee's knees.

In belonging to Kerry, you belong to the elements, to the spheres spinning in their heavens. You belong to history and language, romance and ancient song.

It's almost unbearable being a Kerry man and it's an awesome responsibility!

The wise words of John B Keane
